Mother’s Day—
Member’s Profile
Pilar Vasquez

On this Mother’s Day, Encore Community Services celebrates Pilar Vasquez, who turned 106 years old in February!

Pilar has been a longtime Encore member and volunteer. She was born in Puerto Rico and came to New York when she was 20 years old, later marrying her spouse and raising their children. She worked very hard for her family, working at an umbrella factory and additional work in retail.

At 106 years old, Pilar says she is blessed with good health and good children who never gave her a hard time as they were growing up! She has 3 sons, 6 grandchildren, 9 great-grandchildren, and 5 great-great grandchildren.

We asked Pilar for her secret to looking and feeling great at 106 years old, and she told us to “have a sense of humor, keep active and useful, stay connected with your family and be blessed with good health”—all useful tips! It is an honor to know Pilar for the past 25 years and to hear about her vibrant life.
